Special Discount Offer
for GT Elite Members**

Amalfi Hotel Chicago is the newest luxury boutique hotel to grace Chicago's trendy River North District. Conveniently located in the heart of downtown Chicago, it is home away from home for business and leisure travelers alike. Amalfi Hotel Chicago is perfectly situated to ensure you're at the center of everything; and inside, we will make you feel as if you are the center of the universe. Go for a stroll down the Magnificent Mile, check out a show in the Theater District, soak up some art at the Museum of Contemporary Art — the pulse of Chicago is beating just outside the doors. The possibilities are endless at your urban oasis.

You are greeted by our Impressionist (doorman) who will welcome you and set the stage for your experience at the Amalfi Hotel. Our Experience Designers (concierges) will then check you in and design your experience while in the Windy City, whether your travels are for business or leisure, and cater your stay to be as unique as you are. Our Comfort Stylists (housekeepers) will ensure that your room is as com-

fortable as you need to create all of the comforts of home — only better.

With close to 2,000 square feet of flexible meeting space, Amalfi Hotel Chicago can accommodate intimate meetings and events for theater-style meetings, rounds, classroom-style events, and boardroom setups.
